Missouri Department of Higher Education & Workforce Development (MDHEWD) approved CORE 42 courses include the MOTR number after the course title. These courses are guaranteed to transfer among all Missouri public institutions of higher education

BACCALAUREATE DEGREE REQUIREMENTS

Catalog Time Limit

A candidate for a degree may use, as a basis for degree requirements, the general catalog issued for any year following the date of the candidate's first completed registration at MSSU provided it is not more than six years prior to the date the degree is to be conferred. The candidate must have been in residence at MSSU and earned credit during the year of the catalog selected.

Transfer Student: The MSSU catalog in effect at the time of the transfer student's initial enrollment in the sending institution (transfer school), will govern the transfer student's degree requirements. The catalog used may not be dated more than six years prior to the date the degree is to be conferred. The transfer student must have been enrolled in a previous school and earned credit during the year of the catalog selected.

Developmental Courses

Occasionally, scores obtained from the placement tests indicate a student may not be successful in college. The university reserves the right to require these students to take developmental courses in mathematics, composition, study skills or intensive English prior to participation in regular college level classes. Courses below the 100 level are not applicable to the baccalaureate degree and are excluded in honors calculations and calculation of the standards of progress toward graduation.

Course Numbers and Levels

Course Numbers:

0 - 99 Not applicable toward the Baccalaureate Degree

100-299 Lower Division 300-499 Upper Division 500-700 Graduate

Immediately following each course title is a letter abbreviation of the semester in which the course is usually offered. Students and faculty should use this as a guide in considering future enrollment. However, this should not be interpreted as a contract. Missouri Southern reserves the right to deviate from this commitment when enrollment or other factors dictate.

Baccalaureate Degree Requirements

- A. Residence: The following minimum requirements must be met in residence at Missouri Southern: (1) 30 hours completed with Missouri Sothern; (2) one-half of the credit both required for the major and in the major department. Courses required for the major but not offered in the major department are not included; (3) one-half of the upper division credit both required for the major and in the major department.
- B. Credit Hours: At least 120 semester hours of college credit applicable to a Baccalaureate Degree are required for graduation.
- C. Grade Point Average (GPA): The following minimum cumulative GPAs are required for all Baccalaureate Degrees, Some programs require a higher GPA.. The GPA excludes not applicable to Baccalaureate Degree (NABD) courses:
 - 1. a 2.0 GPA for all credit hours attempted;
 - a 2.0 GPA for all the courses required for the major, both inside and outside the major department;
 - a 2.0 GPA for all courses, required and elective, taken in the major department.

The following minimum GPAs are required for the BSE:

- 1. a 2.75 GPA for all credit hours attempted;
- a 2.50 GPA for all the courses required for the major, both inside and outside the major department;
- a 2.50 GPA for all courses, required and elective, taken in the major department;
- a grade of "C" or better in professional education courses and courses required for elementary education, special education and early childhood.
- D. Upper Division Hours: A minimum of 39 semester hours of courses numbered 300-499 must be completed. Transfer courses will be granted lower or upper division attributes based on how the course was originally taken.
- E. Modern Language: All students expecting to graduate with a Bachelor of Arts degree must successfully complete 10-12 hours of the same modern language prefix.
- F. Writing: Students will complete the writing goals established by the faculty in their selected major. Students graduating with the Bachelor of General Studies degree or the Bachelor of Applied Science degree will be required to complete one course beyond English 101 and English 102 from the list of approved courses with a significant writing component.
- **G. General Education Curriculum Requirements:** Missouri Southern has a general education requirement curriculum program that contributes toward the development of the whole person, as an individual and as a member of society. Transfer students should refer to the Transfer Student section of the catalog regarding the General Education requirements.
- **H. University Experience:** A university experience course (UE 100) is required for all Missouri Southern degree-seeking students. UE 100 is also required for transfer students with fewer than 30 credit hours who have not completed an orientation course. Dual credit and credit-in-escrow are excluded. Honors students substitute HNRS 101 and Yours to Lose students substitute BIO 100.
- **I Civics Exam:** Section 170.013 of the Revised Statues of Missouri states that any student entering a public institution of higher education for the firs time after July 2019 who is pursuing an associate's or bachelor's degree from such institution shall successfully pass an examination on the provisions and principles of America civics with a score of seventy percent or greater as a condition of graduation from such institution. The examination shall be known as the "Missouri Higher Education Civics Achievement Examination".
- **J.** A student may not graduate with a course that has an IN (Incomplete), IP (Inprogress), or NO grade issued.

Core 42 In compliance with the State of Missouri Higher Education Core Curriculum Transfer Act (commonly known as CORE 42) initiative, the following general education requirement areas include the Missouri Transfer (MOTR) number for MSSU courses that have been approved. All public colleges and universities have adopted the CORE 42. Courses with a MOTR number in parentheses are guaranteed to transfer among all Missouri public institutions of higher education.

- A. Residence: The last 15 semester hours must be completed in residence at Missouri Southern.
- **B.** Credit Hours: A minimum of 60 hours must be completed.

ASSOCIATE DEGREE

- C. Grade Point Average (GPA): The minimum cumulative and major field GPA must be 2.0.
- Major Field: The student must meet the course requirements in the particular program of study as approved by an advisor.
- **Civics Exam:** Any student entering a public institution of higher education for the first time after July 2019 who is pursuing an associate's or bachelor's degree must pass the exam as required by the State of Missouri (Senate Bill 807, Section 170.013).
- : F. University Experience: A university experience (UE 100) course is required for all Missouri Southern degree-seeking students. UE 100 is also required for transfer students with fewer than 30 credit hours who have not completed an orientation course. Dual credit and credit-in-escrow are excluded.
- **General Education Core Curriculum Requirements:** The degree requires completion of the general education requirement curriculum courses as well as those outlined in the student's major field of study. The general education requirement curriculum required courses are listed below
